The PPO percentage of benefits is based on the PPO Schedule of Allowances.

The Premier percentage of benefits is limited to the Premier Maximum Plan Allowance.

The Non-Participating percentage of benefits is limited to the non-participating Maximum Plan Allowance. You will be responsible for the difference between the non-participating Maximum Plan Allowance and the full fee charged by the dentist.

**Right Start 4 Kids:** Covers children up to their 13th birthday at 100% with no deductible (for the same services outlined in the plan, up to the annual maximum, and subject to limitations and exclusions). The child must see a Delta Dental PPO or Premier provider to receive the 100% coinsurance. If an out-of-network provider is seen, the adult coinsurance levels will apply. Orthodontics is not covered at 100% but at the plan's listed coinsurance.
