|                                                                                                           | Denture Rebase/Reline                    |                                                                                                                                                                              | Benefit 6 months after initial insertion then benefit 1 in 36 months.          |
|                                                                                                           | Implants                                 |                                                                                                                                                                              | Benefit 1 per tooth in 60 months on the same tooth.  Not covered under age 16. |
| ORTHODONTICS - Braces For Children to age 19 only                                                         |                                          |                                                                                                                                                                              |                                                                                |
| 50%                                                                                                       | Complete orthodontic evaluation          |                                                                                                                                                                              |                                                                                |
|                                                                                                           | Active orthodontic treatment             |                                                                                                                                                                              |                                                                                |
|                                                                                                           |                                          |                                                                                                                                                                              |                                                                                |

The PPO percentage of benefits is based on the PPO Schedule of Allowances.

**Right Start 4 Kids:** Covers children up to their 13th birthday at 100% with no deductible (for the same services outlined in the plan, up to the annual maximum, and subject to limitations and exclusions). The child must see a Delta Dental PPO or Premier provider to receive the 100% coinsurance. If an out-of-network provider is seen, the adult coinsurance levels will apply. Orthodontics is not covered at 100% but at the plan's listed coinsurance.

Important Note: This form provides only a brief description of services covered under your contract and does not list those services that are limited or excluded from coverage. Your employee benefit booklet provides a more complete explanation of your coverage, including limitations and exclusions. If differences exist between this summary of benefits and your employee benefit booklet, the benefit booklet will govern.
